

RATHBUN'S

[Rathbun's](#) is highlighted with dark wood and exposed brick walls. The reinvigorated look has an open kitchen, dramatic tones of gray, and an atmosphere of industrial meets modern. The worn out flooring and the suspended stove-pipe pendants radiate a tone of fuchsia throughout the room. The dining room is accented by the soft open kitchen illumination.

About Kevin Rathbun:

Kevin has worked with renowned chefs like, Bradley Ogden, Emeril Legasse, and Stephen Pyles. He was nominated for the James Beard "Rising Star Chef" of 1994. He brought Atlanta Southwestern cuisine with NAVA and then introduced Fusion to Atlanta as the opening Executive Chef of Bluepointe. From 1999-2003, Chef Kevin was the Corporate Executive Chef for the Buckhead Life Restaurant Group, and oversaw many of the restaurants. In May of 2004, Chef Kevin opened his signature restaurant, **Rathbun's**, in the Inman Park area of Atlanta. In October, 2005, Kevin opened Krog Bar in the same complex as Rathbun's
